

AXIS M1135 Mk II Box Camera

2 MP affordable surveillance

AXIS M1135 Mk II is an affordable, compact box camera that's easy to install and operate. It supports PoE and redundant DC power to ensure your data is safeguarded in the event of a power outage. Featuring Axis Lightfinder and Axis Forensic WDR, it delivers true colors and great details in challenging light or near darkness. The camera's CS-mount enables flexibility for exchangeable lenses. And a built-in microphone allows you to record video with sound. With AXIS Object Analytics preinstalled, it's possible to detect and classify humans and vehicles. Furthermore, Axis Zipstream with H.264/H.265 significantly lowers bandwidth and storage requirements.

- > Compact and flexible design
- > Lightfinder and Forensic WDR
- > Built-in microphone for audio recording
- > AXIS Object Analytics
- > Remote zoom and focus with i-CS
